---

---

Present Ailments: \_\_\_\_\_

---

---

Surgeries: \_\_\_\_\_

---

I am aware that a Reflexologist is not a doctor, and cannot prescribe, diagnose or treat for any specific condition. Reflexology relaxes tension, which helps improve nerve and blood supply, and assists in normalizing body function.

**Kindly give 24 hours' notice on rescheduling appointments. In the event of a missed appointment, or same day cancellation, following sessions will require prepayment.**
